**Re: [REVISED] Chapter 22 of the 1984 Detroit City Code, *Handling of Solid Waste and Prevention of Illegal Dumping*, Article I, *In General*, Division 2, *Civil Fines for Violations***

Honorable City Council:

At the request of Miriam Blanks-Smart, Director of the Department of Appeals and Hearings, the Law Department has prepared and approved as to form the above-referenced ordinance amendments for your consideration.

The purpose of the ordinance amendment is to create uniform measurements for illegal dumping from a motor vehicle (in cubic feet). However, during discussion at the April 29, 2019 Public Health and Safety Committee meeting, the committee expressed concerns that the City's fines are too low, considering the egregious nature of the offense. After review of littering fines imposed by state statute, the Law Department has prepared an amended ordinance for your consideration.

The proposed ordinance has been revised to increase fines and to create new classifications for illegally dumping larger quantities of solid waste from a motor vehicle.

For your reference, I have attached a comparison chart of the fines from the first proposed amendment, the current proposed amendment, and the state of Michigan.

Respectfully submitted,

Ericka Savage Whitley  
Assistant Corporation Counsel  
City of Detroit Law Department  
(313) 237-3008

1 **BY COUNCIL MEMBER \_\_\_\_\_:**

2 **AN EMERGENCY ORDINANCE** to amend Chapter 33, *Minors*, Article III, *Regulation of*  
3 *Minors in Public Places and Adult Responsibility for Violations*, Division 2, *Curfew*, of the 1984 Detroit City  
4 Code by adding Sections 33-3-14 and 33-3-15 to provide for a superseding curfew for all minors  
5 beginning at 8:00 p.m. on Monday, June 24, 2019 (being the scheduled date for the Detroit Annual  
6 Fireworks Display, or any rescheduled date) and continuing until 6:00 a.m. the following morning,  
7 applicable only in the area within and bounded by the Detroit River, Third Street, the Lodge Freeway  
8 (M-10), the Fisher Freeway (I-75), the extension of the Fisher Freeway (I-75) easterly to Gratiot  
9 Avenue, Gratiot Avenue, Vernor Highway, Chene Street, Atwater Street, and the Aretha Franklin  
10 Amphitheater.

11 **IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:**

12 **Section 1. DECLARATION OF EMERGENCY**

13 The Detroit City Council, upon receipt of testimony and evidence from the Detroit Police  
14 Department and others, and after public hearing, upon due consideration makes the following  
15 findings:

16 (A) On the day of and especially the evening of the Detroit Annual Fireworks Display that takes  
17 place on the Detroit River there have been numerous incidents of harassment, nuisance, vandalism,  
18 and violence committed by persons at the viewing, parking, and public places of the City before,  
19 during, and after the fireworks display;

20 (B) These acts of harassment, nuisance, vandalism, and violence have endangered the peace,  
21 health, safety, and welfare of the People of the City of Detroit, the many persons traveling from  
22 outside the City limits to attend this annual event, and in particular unsupervised minors before and  
23 during the City's regular curfew hours for minors and;

24 (C) There exist public peace, health, safety, and welfare needs for effectively governing the

1 conduct of such minors as it pertains to harassment, nuisance, vandalism, and violence for the purpose  
2 of alleviating and eliminating these problems, whether committed against minors or committed by  
3 minors;

4 (D) Due to law enforcement considerations and logistics concerns, a localized curfew is  
5 necessary to enhance the public peace, health, safety, and welfare for the many thousands of minors  
6 and adults who attend this annual event;

7 (E) Due to the fact that spectators begin to gather in the viewing areas in advance of the  
8 commencement of the Detroit Annual Fireworks Display on the day of the event, the regular curfew  
9 hours for minors provided for in the City's Curfew Ordinance, codified in Chapter 33, Article III of  
10 the Detroit City Code, are not sufficient to alleviate and curtail criminal activity involving unsupervised  
11 minors in the fireworks display viewing areas;

12 (F) The peace, health, safety, and welfare of the community-at-large and particularly that of  
13 minors will benefit from additional curfew controls for minors in a localized area of the City during  
14 the Detroit Annual Fireworks Display;

15 (G) The curfew for minors in the City provides for reasonable exceptions during the specified  
16 curfew period to allow for minors accompanied by their parent, legal guardian, or responsible adult,  
17 for minors at or traveling to and from places of employment, education and training facilities, and  
18 sponsored activities under adult supervision, for minors involved in emergencies or constitutionally  
19 protected activities such as interstate travel or freedom of speech, assembly or exercise of religion, for  
20 minors on the sidewalks in front of their homes, and for minors sent on errands by their parents if  
21 the minors have proper written permission.

22 **Section 2.** Chapter 33, *Minors*, Article III, *Regulation of Minors in Public Places and Adult Responsibility*  
23 *for Violations*, Division 2, *Curfew*, of the 1984 Detroit City Code is amended by adding Sections 33-3-14

HONORABLE CITY COUNCIL

RE: **RECOMMENDATION FOR DEFERRAL**

ADDRESS: 2964 Leslie

NAME: Ramel Howard, R Howard Investment CO LLC

Demolition Ordered: October 8, 2018

In response to the request for a deferral of the demolition order on the property noted above, the Buildings, Safety Engineering and Environmental Department (BSEED) submits the following information:

A special inspection conducted on May 28, 2019 revealed that the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the 1<sup>st</sup> deferral request for this property.

Therefore, we respectfully recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be applied for within ten (10) business days from the date of the City Council decision.
2. BSEED will schedule a Progress Inspection within forty-five (45) calendar days from the date of the rehabilitation permit to determine whether substantial progress has been made. Thereafter, the owner must submit to BSEED detailed inspection reports, with photos showing evidence of the work completed, every forty-five (45) calendar days, for the duration of the rehabilitation work, to demonstrate that substantial progress has been made during the approved time frame for rehabilitation.
3. The building shall have all imminently hazardous conditions immediately corrected, be maintained, and securely barricaded until rehabilitation is complete. Rehabilitation work is to be completed within six (6) months, at which time the owner will obtain one of the following from this department:
  - Certificate of Acceptance related to building permits
  - Certificate of Approval as a result of a Housing Inspection
  - Certificate of Compliance, required for all rental properties
4. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).
5. The yards shall be maintained clear of overgrown vegetation, weeds, junk and debris at all times.
6. Prior to seeking a permit extension, the owner must contact BSEED and request to extend the deferral period.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been satisfied and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not followed, the deferral may be rescinded by the City Council at any time and we may proceed with demolition without further notice. In addition, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

Any request exceeding three (3) deferrals must be made by petition to City Council through the office of the City Clerk.

Honorable City Council:

**RE: Petition No. 574 — Joan McGowan request to vacate Pierson Avenue abutting property located at 20745 Glendale.**

Petition No. 574 — Joan McGowan request to vacate and convert to easement Pierson Avenue, 50 feet wide, from Glendale Avenue, 50 feet wide, South 199 feet to where Pierson Avenue ends.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

The Detroit Fire Department (DFD) approves provided access is maintained to any buildings and fire department connections. A provision for DFD access is a part of the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way (Pierson Avenue) into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer  
City Engineering Division – DPW
